

"Sunrise at Solstice" taken by Nicholas Birchak, June 21

**In Loving Memory of
Nicholas John Birchak**
June 22, 1984
August 24, 2011

Nicholas

Marches through waist
deep aluminum grass.

Sinew and ripple bellow, "I have known
the source of numbers,

the thin war of colours." And through our flesh,
gentle enlistment,

his army of four leafed clovers.

- Brandon Birchak
